

Quadra FNX Mining Ltd. currently operates five mines in Canada, Chile and the US which are projected to produce approximately 300 million pounds of copper and more than 15,000 ounces of gold, platinum and palladium in 2010. Our team-oriented environment offers the opportunity to be challenged, to contribute and to grow.

We are looking for a dynamic, highly motivated **Mine Geologist** to join our Levack team, located in the Sudbury Basin. The Mine Geologist will report to the Chief Mine Geologist or Senior Mine Geologist and will be responsible for carrying out day-to-day departmental work and geology assignments. Attention to detail and excellent interpersonal skills are essential for this role.

SPECIFIC DUTIES AND RESPONSIBILITIES

1. Collect, document and assess all geological data within a designated area of the mine.
2. Conduct independent underground geological mapping and ensure effective grade control on underground beat.
3. Maintain adequate geological maps, sections and other records, such as production tracking; assists in overall database organization.
4. Assist in all phases of underground drilling programs, including planning, monitoring, logging, sampling and interpreting in 2D and 3D.
5. Assist in ore reserve/resource calculations.
6. Assist and work with the mine Engineering team and the underground crews to ensure effective and efficient mining.
7. Work proficiently in a team environment with minimal supervision.
8. Such other duties as may be assigned from time to time.

QUALIFICATIONS, SKILLS AND KNOWLEDGE

- Minimum of a B.Sc. in Geology with 2-5 years of mining experience.
- Must have PGeo or be eligible for professional registration.
- Excellent planning, problem-solving and organizational skills.
- Intermediate knowledge of Microsoft Office.
- Strong computer skills in Datamine and Autocad and/or MineCad.
- Excellent written and oral communication skills.

We offer a comprehensive compensation package. For further information about Quadra FNX Mining Ltd., please visit our website at www.quadrafnx.com. If you are interested in joining our team, please e-mail your resume and a covering letter to careersudbury@quadrafnx.com citing "Mine Geologist" in the subject line. Thank you for your interest in Quadra FNX Mining Ltd. Only candidates selected for an interview will be contacted.
