

ROBINSON NEVADA MINING COMPANY
A Subsidiary of Quadra Mining Ltd.

The Robinson Nevada Mining Company has an immediate opening at its open pit copper mining operation located near Ruth, Nevada, 7 miles west of Ely, Nevada off State Highway 50.

Short Range Planning Engineer

The successful candidate will have open-pit short-range planning experience. A BS degree in Mine, Geological or Civil Engineering is preferred.

Responsibilities would consist of, but not limited to, the following: mine planning and scheduling, waste dump and stockpile planning, monthly forecasting and daily communication with Technical Services, Mine Operations and Mill Process personnel.

This position requires excellent analytical, management, organization, communication and problem-solving skills. The successful candidate must demonstrate the ability to work in a team environment and communicate well with others. Computer literacy is a must. Experience with MineSight, AutoCAD, FPC or Talpac and Microsoft Office is preferred.

The Robinson Nevada Mining Company will provide a relocation package, competitive medical health, dental, vision, life insurance and 401(k) plans, incentive bonus programs and a salary commensurate with experience.
