

Quadra FNX Mining Ltd. produces, develops and explores for nickel, copper, cobalt, platinum, palladium and gold in Ontario's Sudbury basin. Our team-oriented environment offers the opportunity to be challenged, to contribute and to grow.

We are looking for a highly motivated **Maintenance General Foreman** to join our team. Based out of our Podolsky Mine Site the Maintenance General Foreman supervises and coordinates maintenance, sample tower and crushing operation activities in the setting up, installing, repairing, and maintaining machinery and equipment. The Maintenance General Foreman is responsible for the overall direction, coordination and evaluation of the maintenance department, sample tower and crushing operations and supporting supervision.

SPECIFIC DUTIES AND RESPONSIBILITIES

1. Directs supervisors in mechanical, hydraulic and pneumatic maintenance in the repair of mining machinery and equipment.
2. Assists and directs supervisors in diagnosing malfunctions, dismantling, assembling and installing mining machinery and equipment.
3. Reviews maintenance reports to resolve problems, ensuring minimum costs and preventing operational delays.
4. Recommends measures to improve production methods, equipment performance and product quality.
5. Develops or revises standard operational and working practices.
6. Observes supervisors and workers to ensure compliance with standards.
7. Establishes or adjusts work procedures to meet production schedules.
8. Interprets and communicates company policies to supervisors and workers.
9. Suggests changes in working conditions or use of equipment to increase efficiency of shop, department, or work crew.
10. Initiates or suggests plans to motivate supervisors to achieve work goals.
11. Confers with other department heads to coordinate activities within the Maintenance Department.
12. Such other duties as may be assigned from time to time.

QUALIFICATIONS, SKILLS AND KNOWLEDGE

- Licensed Mechanic with 10-15 years of mining experience or equivalent of education and experience.
- Strong organizational skills with the ability to coach, mentor and lead the maintenance team.
- Ability to communicate with all levels of the organization and government agencies.
- Strong written and verbal communication skills.
- Strong Health and Safety background.
- Strong background in cost control, cost tracking and mining methods.
- Intermediate level knowledge of Microsoft Office.

We offer a comprehensive compensation package. For further information about Quadra FNX Mining Ltd., please visit our website at www.quadrafnx.com. If you are interested in joining our team, please e-mail your resume and a covering letter to careerssudbury@quadrafnx.com citing "Maintenance General Foreman" in the subject line. Thank you for your interest in Quadra FNX Mining Ltd. Only candidates selected for an interview will be contacted.
